

Oulton College, established in 1956, is a leader in post-secondary education in Atlantic Canada, driven by its commitment to student success.

We are seeking dedicated individuals who are eager to make a lasting impact on students' lives while helping them launch successful careers. If you thrive in a collaborative environment and enjoy working alongside like-minded and passionate colleagues, Oulton College is the perfect place for you!

For over six decades, Oulton College has been helping students succeed in achieving their career goals. We offer training in four faculties: Health Science, Business, Human Services, and Information Technology.

If you have a genuine passion for student success and are seeking a fulfilling career in the education sector, we encourage you to explore the possibilities of joining our team at Oulton College.

### **Position Summary**

We are currently seeking applicants for the position of **BSc Nursing Instructor** that **starts in June 2024**. As a BSc Nursing Instructor, you will play a vital role in shaping the next generation of nursing professionals. Your primary responsibility will include developing and delivering engaging and evidence-based curriculum content, facilitating classroom and clinical learning experiences, and evaluating student performance. We are looking for applicants for both Full-time and Part-time role. If you're passionate about nurturing the growth of aspiring nurses and making a lasting impact on healthcare, this role offers a rewarding opportunity to blend your clinical experience with your teaching skills.

### **Key Accountabilities**

- Teach, coach and supervise nursing students in classroom, lab and clinical settings.
- Evaluate student progress and provide feedback.
- Participate in the development, maintenance and revision of curriculum.
- Participate in program, campus, industry and professional or other stakeholder activities.
- Travel is required.

## **Key Selection Criteria**

The ideal candidate must hold:

- Master's degree (applicants with a bachelor's degree must be enrolled and actively participating in a Master's program; completion within three years is a condition of employment) with at least one degree, either graduate or undergraduate in nursing.
- Eligible for registration (active status) with the Nurses Association of New Brunswick (NANB)
- Minimum of two years recent and relevant experience as a registered nurse.
- Ability to apply the theory, practices and principles of adult education.
- Demonstrated competence and recent experience in the use of the internet, e-mail, MS Office Suite software and ability to learn and adapt to changing technology.
- Demonstrates valuing diversity.

## **Benefits**

- Annual salary as per instructional salary grid
- Paid annual licensing fees
- Professional development opportunities and financial support with continuing education
- Employee health benefits (50/50 copay with employer)
- Group Retirement Savings Plan with employer contribution matching
- Positive and supportive work environment
- Opportunities for professional advancement
