

Oulton College, established in 1956, is a leader in post-secondary education in Atlantic Canada, driven by its commitment to student success.

We are seeking dedicated individuals who are eager to make a lasting impact on students' lives while helping them launch successful careers. For over six decades, Oulton College has been helping students succeed in achieving their career goals. We offer training in four faculties: Health Science, Business, Human Services, and Information Technology.

Oulton College is the first private college to become Degree granting in the province.

Oulton College is undergoing a massive growth phase and is poised to grow substantially over the next few years. If you have a genuine passion for student success and are seeking a fulfilling career in the education sector, we encourage you to explore the possibilities of joining our team at Oulton College.

Position Summary

We are currently seeking applicants for the part-time position of Medical Laboratory Assistant (MLA) Instructor. This 10-month contract position is on a part-time basis of 3-4 days per week. The scheduled days are dependent on the needs of the program and may change from term to term. This position holds primarily responsibility for a combination of didactic teaching and labs. The position holder may be requested to support in the Medical Laboratory Technologist (MLT) lab within the MLA scope of practice.

Education & Experience

- Medical Laboratory Assistant certified by the Canadian Society of Medical Laboratory Science (CSMLS) or a Medical Laboratory Technologist licensed under the New Brunswick Society of Medical Laboratory Technologist (NBSMLT).
- At least 3-5 years of experience in a hospital laboratory.
- Enjoy the dynamics of teaching and learning
- Have an interest in lifelong learning.

- Be highly organized, work well under pressure and be able to multitask
- Have strong attention to detail and be effective working independently
- Bilingualism in French and English and experience in an academic environment will be considered assets for this position.

Benefits

- Annual salary competitive with industry standard
- Positive and supportive work environment
- Opportunities for professional advancement
