

Education Leadership Opportunities at Oulton College!

You don't have to teach to enjoy a career in education. Join our team at Oulton in various leadership roles in the Education Department or Management Department.

Why Oulton College?

Since 1956, Oulton College has been a leader in post-secondary education in Atlantic Canada. We are proud to be the **first private career college in the province with degree-granting status**, and we are now entering an exciting phase of growth. If you are **passionate about student success** and eager to join a transformative team, this is the perfect time to be part of our journey. We are a close-knit college committed to fostering excellence in education with a personalized, supportive approach. Oulton College offers programs in Health Science, Business, Human Services, and IT, all while maintaining strong ties to the local community. Join us and be part of an institution that **values strong systems and processes**.

What You'll Be Doing:

Collaborating with a team of Education managers, **reporting to the VP Academic**.

Driving program success by managing retention, and development to ensure sustainability.

Building partnerships with employers, regulators, and key stakeholders to expand job opportunities for students.

Boosting student success and **mentoring and inspiring** your team to own their progress.

What We're Looking For:

- **3-5 years of progressive experience** in education management.
- A **Bachelor's or Master's degree** relating to one of Oulton's four departments of expertise: Business, Health Sciences, Human Services or Information Technology.
- **Exceptional leadership, communication, and problem-solving skills** that motivate and inspire both students and staff.
- Diverse experience with an entrepreneurial mindset and operational expertise.

What will make you stand out:

- Classroom experience
- A proven track record in program accreditation and a solid understanding of healthcare regulations.
- Proficiency in data management and project management skills

Perks & Benefits:

- **Competitive salary** with Professional Development Opportunities
- **Comprehensive health benefits** as well as retirement savings plan
