We offer training in four faculties: Health Science, Business, Human Services, and Information Technology.

Oulton College is the first private career college to become Degree granting in the province.

Oulton College is undergoing a massive growth phase and is poised to grow substantially over the next few years. If you have a genuine passion for student success and are seeking a fulfilling career in the education sector, we encourage you to explore the possibilities of joining our team at Oulton College.

## Position Summary

---

Clinical education is a foundational component of nursing education. Clinical instructors have a fundamental role in the education of nursing students, to ensure they are adequately prepared with the knowledge, skills and attitudes needed to work in a wide-range of practice settings and specialty areas and meet entry-to-practice competencies. We are currently looking for External Clinical Instructors.

The contribution of this role includes but does not limit to overseeing student performance and nursing skills attainment at different clinical placements in the **Moncton area** (long term care and/or acute settings), providing feedback, evaluation and monitoring students' work and performance in the clinical environment.

The work schedule is flexible and would depend on the clinical schedules and your availability as well as your area of expertise to offer support in relevant clinical placements (**ex: Medical, Med/Surg, Psychiatry, Family Practice, Rehab, Ortho, Emergency, Maternity and Child**)

## **Education & Experience**

---

- Be a licensed practical / registered nurse in good standing
- Current registration with the ANBLPN and/or NANB
- Minimum of 5 years' experience in high acuity settings
- Previous experience in teaching/instruction at an educational institution is an asset

## **Benefits**

---

- Compensation offered as per the collective agreement based on expertise and experience.
- Positive and supportive work environment
- Opportunities for professional advancement
