

About Us

Oulton College, established in 1956, is Atlantic Canada's premier post-secondary institution.

Oulton College is the first private career college to become degree-granting in the province. They are undergoing a massive growth phase and are poised to grow substantially over the next few years. If you have a genuine passion for student success and are seeking a fulfilling career in the education sector, we encourage you to explore the possibilities of joining our team at Oulton College.

Job Description

We are seeking applicants for the position of **Faculty in the Practical Nursing and/or Bachelor of Science in Nursing program**. The position would also include some time in our hands-on lab on-site.

As an instructor, you will play a vital role in shaping the next generation of nursing professionals. Your primary responsibility will include delivering engaging and evidence-based curriculum content, facilitating classroom and clinical learning experiences, and evaluating student performance. We are looking for applicants for both Full-time and Part-time roles.

If you're passionate about nurturing the growth of aspiring nurses and making a lasting impact on healthcare, this role offers a rewarding opportunity to blend your clinical experience with your teaching skills.

Key Accountabilities

- Teach, coach and supervise nursing students in classroom, lab and clinical settings.
- Evaluate student progress and provide feedback.
- Participate in the development, maintenance and revision of curriculum when needed.
- Participate in program, campus, industry and professional or other stakeholder activities.

Requirements

- Minimum of a Bachelor's degree in Nursing.

- Eligible for registration (active status) with the Nurses Association of New Brunswick (NANB)
- Minimum of two years of recent and relevant experience as a registered nurse.
- Ability to apply the theory, practices, and principles of adult education.
- Demonstrated competence with the use of the interview, e-mail, and MS Office Suite.
- Demonstrates valuing diversity.

Benefits

- Annual salary aligned with industry standard
- Paid annual licensing fees
- Professional development opportunities and financial support for continuing education
- Employee health benefits (50/50 copay with employer)
- Group Retirement Savings Plan with employer contribution matching
- Positive and supportive work environment
- Opportunities for professional development
