

About Us

Oulton College, established in 1956, is Atlantic Canada's premier post-secondary institution.

Oulton College is the first private career college to become degree-granting in the province. They are undergoing a massive growth phase and are poised to grow substantially over the next few years. If you have a genuine passion for student success and are seeking a fulfilling career in the education sector, we encourage you to explore the possibilities of joining our team at Oulton College.

Job Description

Clinical education is a foundational component of nursing education. Clinical instructors have a fundamental role in the education of nursing students, to ensure they are adequately prepared with the knowledge, skills and attitudes needed to work in a wide-range of practice settings and specialty areas and meet entry-to-practice competencies.
